Student Testimonials

★★★★★ *"Superb, It is an opportunity for the non-native to learn from the native speaker. It is one of the great course on udemy. The Instructor is very knowledgeable about the subject. He taught complex topics in a simple and easy way which is beneficial for a non-native speaker. Well, organized course and having great contents. This course is very helpful in the long run."* - Faisal Q

★★★★★ *"Great course, great teacher. The instructor was clear and easy to understand. The audio and video quality was good."* - Csaba

★★★★★ *"I gave this rank because of being visual support and using pictures for words and actions and etc. , and also the teacher completely speaks his/her own native language to train people, this is the most important thing for teaching a foreign language"* - Ali Taghinejad

★★★★★ *"This course give me a chance for me to check many detail information in my English learning. After each lecture, I will review the related contents by searching related items on internet, or writing down some articles."* - Lawrence

★★★★★ *"Excellent English course!"* - Matt

This English course for beginners offers you video courses that are tailored to incorporate various methods into teaching and accommodate different learning styles, so that they can be a perfect fit for each student, regardless of their knowledge level or of what they have learnt in schools.

If you still wonder why this English course?

For at least 3 reasons:

1. First and foremost, each lesson is taught in the native language, with the visual support perfectly integrated in the context. The communication is adapted to each student and to real-life situations, in a friendly and easy manner.
2. Second, the students can learn English at their own pace, and in order to enhance their concentration and comfort level, the subtitles are available either in the students' native language or in the language they want to learn.
3. And last but not least, the students can measure their performance and progress by doing multiple choice tests, an extremely efficient technique to review vocabulary and refine grammar for anyone who decides to take this English course for beginners.
