Over 50,000 people from 150 countries enrolled in our courses from December 2016

This **German course** integrates the innovative and up-to-date teaching techniques with the valuable help of our expert teachers, who designed the lessons as short and intense e-learning sessions.

Each German lesson is taught in the native language, with the visual support perfectly integrated in the context, creating the perfect environment to learn German.

Downloadable .pdf file for the lessons included in this German course.

This German course for beginners offers you video courses that are tailored to incorporate various methods into teaching and accommodate different learning styles, so that they can be a perfect fit for each student, regardless of their knowledge level or of what they have learnt in schools.

If you still wonder why this German course?

For at least 3 reasons:

1. First and foremost, each lesson is taught in the native language, with the visual support perfectly integrated in the context. The communication is adapted to each student and to real-life situations, in a friendly and easy manner.
2. Second, the students can learn German at their own pace, and in order to enhance their concentration and comfort level, the subtitles are available either in the students' native language or in the language they want to learn.
3. And last but not least, the students can measure their performance and progress by doing tests and dictation exercises, helping you review the vocabulary and refine your German grammar.

Who this course is for:

- Anyone who wants to learn German fast and easy.
- This German course is designed for beginners. We start with the absolute basics.
- If you are nearly intermediate you can improve your German with this course.
